

CURRICULUM VITAE

Carlo Augusto Dall'Olmo, M.D.

EMPLOYMENT HISTORY

- Partner, Michigan Vascular Access Center, 5202 Miller Rd., Flint, MI (9/2005 – Present)
- Partner, Vein Solutions, 5151 Gateway Centre, Suite 400, Flint, MI (2003 – Present)
- President, Michigan Vascular Research Center (2002 – Present)
- President, Vascular Surgery Associates / Michigan Vascular Center (January 1, 1999 – Present)
- Director, Michigan Vascular Diagnostic Vascular Laboratories (1978 –Present)
- Vascular Surgeon, Partner, Vascular Surgery Associates (August 1, 1975 – Present)

Primary Office: Michigan Vascular Center
G-5020 W. Bristol Road
Flint, MI 48507
(810) 732-1620
www.vascularcenterinfo.com
E-Mail: carlodall@aol.com

Other Offices: Michigan Vascular Access Center Start Date: 09-2005
5202 Miller Road, Flint, MI 48507

Michigan Vascular Center – Clarkston
5701 Bow Pointe Dr., Ste 212
Clarkston, MI

PERSONAL DATA

Place of Birth: Cailungo di Sotto, Republic of San Marino
(Immigration to the United States in October, 1948)

Military Service: None

EDUCATION

Medical School: Wayne State University School of Medicine, Detroit, MI,
Doctorate of Medicine, 1965 - 1969

College: University of Michigan, Ann Arbor, MI
Bachelor of Science, 1961 - 1965

High School: University of Detroit Jesuit High School, 1957 - 1961
Classical Studies/ College Preparatory Diploma

POST-DOCTORATE MEDICAL / SURGICAL TRAINING

Vascular Surgery Fellowship: Henry Ford Hospital, (7/74 - 6/75)

General Surgery Residency: Henry Ford Hospital, (7/70 - 6/74)

Internship: Henry Ford Hospital, Detroit, MI (7/69 – 6/70)

LICENSING AND BOARD CERTIFICATION

License: State of Michigan
Issued: 07/01/70
Certification: American Board of Surgery, General Vascular - 11/84
Re-certification, Vascular Surgery – 10/03
Re-certification, General Vascular – 1995
American College of Surgeons, Fellow - 11/77
American Board of Surgery, General Surgery - 11/75

TEACHING ACTIVITIES

Associate Clinical Professor of Surgery, Michigan State University School of Medicine
Established Patient Vascular Registry for evaluation and follow-up of vascular procedures (1976)
Established Vascular Diagnostics Centers-a city wide vascular diagnostic network (1978)
Established Michigan Vascular Center's Carotid Stent Training Course for Medtronic,
Cordis (Johnson and Johnson Corporation) and Guidant Corporations (2003 – Present)
Established Michigan Vascular Center's Peripheral Vascular Training Course for Medtronic,
Cordis (Johnson and Johnson) and Boston Scientific Corporations (2003 – Present)

HOSPITAL STAFF APPOINTMENTS

Genesys Regional Medical Center, One Genesys Parkway, Grand Blanc, MI
Active Medical Staff (1975 – Present)
Hurley Medical Center, One Hurley Plaza, Flint, MI - Past Chief of Vascular Surgery Division
Active Medical Staff (1975 – Present)
McLaren Regional Medical Center, 401 Ballenger Hwy, Flint, MI
Active Medical Staff (1975 – Present)

OUTPATIENT FACILITY STAFF APPOINTMENTS

The Surgery Center, 5202 Miller Road, Flint, MI 48507
Active Medical Staff, 12/2002 to Present

RESEARCH EXPERIENCE

CHOICE Study: Sub-Investigator, 06/2009 – Present
Carotid Stenting For High Surgical-Risk Patients; Evaluating Outcomes Through
The Collection Of Clinical Evidence
Sponsor: Abbott Vascular
Institution: McLaren Regional Medical Center

RESEARCH EXPERIENCE (continued)

SAPPHIRE WW Trial: Sub-Investigator, 03/2009 – Present

Stenting and Angioplasty with Protection in Patients at High-Risk for Endarterectomy

Sponsor: Cordis Corporation, a Johnson & Johnson company

Institution: Hurley Medical Center

MOSAIC: Principal Investigator, 12/19/2008 – Present

A Phase 4, Multicenter, Open-Label, Observational Study Assessing the Impact of Exposure to THROMBIN – JMI (Thrombin, Topical U.S.P. [Bovine Origin]) on Coagulation Parameters

Sponsor: King Pharmaceuticals

Institution: McLaren Regional Medical Center

CORAL Study: Sub-Investigator, 12-3-2008 – Present

Cardiovascular Outcomes in Renal Atherosclerotic Lesions.

Sponsor: National Heart, Lung and Blood Institute

Contributing Pharmaceutical Companies: Cordis Corp., AstraZeneca, Pfizer, Inc.

NIH Grant #U01 HL 071556

Institution: McLaren Regional Medical Center

ACTIVE Study: Sub-Investigator, 9-19-08 – Present

The ACTIVE (Use of the Assurant® Cobalt Iliac Stent System in the Treatment of Iliac Vessel Disease) Study

Sponsor: Medtronic, Inc

Institution: McLaren Regional Medical Center

VASCUTEK Study: Sub-Investigator, 7/2008 – Present

Evaluation of Vascutek Rapidax in comparison to Vascutek MAXIFLO Wrap for Haemodialysis Applications.

Sponsor: Vascutek Terumo

Institution: McLaren Medical Regional Center

RETRIEVE Study: Principal Investigator, 3/2008 – Present

Crux Biomedical evaluation of the Crux Inferior Vena Cava Filter System

Sponsor: Crux Biomedical, Inc.

Institution: McLaren Regional Medical Center

CONTROL Trial: Principal Investigator, 3/2008 – Present

Evaluation of an absorbable surgical hemostatic agent: Thrombigel versus Gelfoam Thrombin.

Sponsor: Vascular Solutions

Institution: McLaren Regional Medical Center

RESEARCH EXPERIENCE (continued)

PYTHAGORAS Study: Principal In 2/2008 – Present

Prospective aneurysm trial: High angle Aorfix bifurcated stent graft.

Sponsor: Lombard Medical Technologies

Institution: McLaren Regional Medical Center

SONIC I Study: Principal Investigator, 01/2008 – Present

Study of the OmniWave™ Endovascular System in Subjects with Lower and Upper Extremity Deep Vein Thrombosis

Sponsor: OmniSonics Medical Technologies, Inc.

Institution: McLaren Regional Medical Center

STRIDE 1 Study: Sub-Investigator, 01/2008 - 07/2008

A Post-Market Surveillance Study

Does Early Safe Thrombus Removal In DVT have an Effect on Patient Outcomes?

Sponsor: Bacchus Vascular, Inc.

Institution: McLaren Regional Medical Center

VASCUTEK Trial: Sub-Investigator, 10/2007 - Present

Evaluation of Vascutek Rapidax™ in comparison to Vascutek MAXIFLO™ Wrap for Haemodialysis

Sponsor: Vascutek

Institution: The Surgery Center

COMPLETE SE Study: Sub-Investigator, 10/2007 – Present

Iliac Stent Registry

Sponsor: Medtronic, Inc.

Institution: McLaren

ZILVER PTX Phase II Trial: Sub-Investigator, 8/2007 – Present

Zilver PTX Drug Eluting Stent Study “Evaluation of the Zilver® PTX™ Vascular Stent in the Above-the-Knee Femoropopliteal Artery”

Sponsor: Cook, Inc.

Institution: Michigan Vascular Access Center, 5202 Miller Rd., Flint, MI 48507

ABRAXIS: Sub-Investigator, 8/2007 to Present

A Phase II Trial of ABI-007 (Paclitaxel Albumin-bound Particles) for the Prevention of Restenosis following Revascularization of the Superficial Femoral Artery (SFA)

Sponsor: Abraxis, Inc.

Institution: McLaren Regional Medical Center

PROTECT Trial: Principal Investigator, 07/2007 - Present

Protected Carotid Artery Stenting in Subjects at High Risk for Carotid Endarterectomy (CEA)

Sponsor: Abbott Vascular

Institution: McLaren Regional Medical Center

RESEARCH EXPERIENCE (continued)

PROTECT Trial: Sub-Investigator, 05/2007 - Present

Protected Carotid Artery Stenting in Subjects at High Risk for Carotid Endarterectomy (CEA)

Sponsor: Abbott Vascular

Institution: Genesys Regional Medical Center

CREATE PAS Trial: Sub-Investigator, 05/2007 - Present

Carotid Revascularization with ev3 Arterial Technology Evolution Post Approval Study

Sponsor: ev3 Endovascular, Inc.

Institution: Genesys Regional Medical Center

VASCULAR WRAP-Angiotech Trial: Sub-Investigator, 5/2007 to Present

A randomized, single blind trial to assess the effectiveness of maintaining patency and safety of the vascular wrap™ Paclitaxel-eluting mesh after surgical implantation with the Lifespan® ePTFE vascular graft in the upper extremity for hemodialysis vascular access.

Sponsor: Angiotech®

Institution: McLaren Regional Medical Center

AASTROM “Restore” Trial: Principal Investigator, 3/2007 – Present

Use of TRC Autologous Bone Marrow Cells in Patients with Peripheral Arterial Disease to Treat Critical Limb Ischemia.

Sponsor: Aastrom Biosciences, Inc.

Institution: Michigan Vascular Research Center & Michigan Vascular Access Center

SAPPHIRE WW Trial: Sub-Investigator, 02/2007 - Present

Stenting and Angioplasty with Protection in Patients at High-Risk for Endarterectomy

Sponsor: Cordis Corporation, a Johnson & Johnson company

Institution: Genesys Regional Medical Center

PACE PAD-001, Principal Investigator, 12/2006 – 8/2007

A Phase 2, Multicenter, Multinational, Randomized, Double-blind, Placebo-controlled, Parallel Study of the Effects of 6R-BH4 on Symptomatic Peripheral Arterial Disease

Sponsor: BioMarin Pharmaceuticals Inc.

Institution: Michigan Vascular Research Center

NAPA-3 Trial: Principal Investigator, 12/2006 – 8/2007

Phase 3, Multicenter, Multi-National Randomized, Double-Blind, Placebo-Controlled Study to evaluate the efficacy and safety of Alfimeprase in subjects with acute peripheral arterial occlusion

Sponsor: Nuvelo, Inc.

Institution: McLaren Regional Medical Center

CARDIOMEMS Study: Principal Investigator, 8/2006 – Present

Long Term Follow-up Data on Endovascular Sensor for Abdominal Aortic Aneurysm Use

Sponsor: CardioMEMS

Institution: McLaren Regional Medical Center

RESEARCH EXPERIENCE (continued)

CAPTURE 2 Trial: Sub-Investigator, 6/2006 – Present

Post-Approval Study of the Guidant Carotid Stent System and Embolic Protection System (Carotid RX Acculink/Acculink Post-Approval Trial to Uncover Unanticipated or Rare Events

Sponsor: Guidant Corporation

Institution: McLaren Regional Medical Center

VIVA Trial: Sub-Investigator, 5/2006 – Present

Vivexx™ Carotid Revascularization Trial (VIVA)

Sponsor: Bard Peripheral Vascular

Institution: McLaren Regional Medical Center

OMNISONICS Study: Principal Investigator, 12/2005 – 12/2006

Evaluation of Excised Carotid Plaque in the Presence of Transverse Ultrasonic Energy

Sponsor: Omni Sonics

Institution: McLaren Regional Medical Center

ZILVER PTX Phase I Trial: Sub-Investigator, 8/2005 – Present

Zilver PTX Drug Eluting Stent Study “Evaluation of the Zilver® PTX™ Vascular Stent in the Above-the-Knee Femoropopliteal Artery”

Sponsor: Cook, Inc.

Institution: Michigan Vascular Access Center, 5202 Miller Rd., Flint, MI 48507

PIVOTAL Study: Principal Investigator, 6/2005 – Present

Phase I Study:

Positive Impact of Endovascular Options for Treating Aneurysms Early

Sponsor: Medtronic and Cleveland Clinic

Institution: McLaren Regional Medical Center

Genesys Regional Medical Center

BIOVANCE Study: Principal Investigator, 5/2005 – 1/2006

Evaluation of BIOVANCE® Wound Covering

Sponsor: Celgene Cellular Therapeutics

Institution: Michigan Vascular Center

VALENTIS Trial: Principal Investigator, 5/2005 – 3/2006

A Phase II, Multi-center, Randomized, Double-Blind, Placebo-Controlled trial of VLTS-934 in Subjects with Intermittent Claudication Secondary to Peripheral Arterial Disease

Sponsor: Valentis, Inc.

Institution: Michigan Vascular Research Center

COSMIC Study: Sub-Investigator, 4/2005 – Present

Covered Stents to Exclude Pseudoaneurysm of Hemodialysis Access

Sponsor: Michigan Vascular Research Center

Institution: McLaren Regional Medical Center

RESEARCH EXPERIENCE (continued)

CREST Trial: Sub-Investigator, 12/2004 – Present

Carotid Revascularization Endarterectomy vs. Stent Trial

Sponsor: NINDS (National Institute of Neurological Disorders and Stroke and NIH National Institution Of Health), University of Medicine & Dentistry of New Jersey-New Jersey Medical School (UMDNJ-NJMS)

Institution: McLaren Regional Medical Center

CASES Trial: Sub-Investigator, 10/2004 – 9/2006

Carotid Artery Stenting with Emboli Protection Surveillance – Post Marketing Study

Sponsor: Cordis a Johnson & Johnson Company

Institution: McLaren Regional Medical Center

CAPTURE Trial: Sub-Investigator, 10/2004 – 5/2006

Post-Approval Study of the Guidant Carotid Stent System and Embolic Protection System (Carotid RX Acculink/Acculink Post-Approval Trial to Uncover Unanticipated or Rare Events

Sponsor: Guidant Corporation

Institution: McLaren Regional Medical Center

MAVERIC III Trial: Sub-Investigator, 10/2004 – Present

Phase II Clinical Trial

Evaluation of the Medtronic AVE Self-Expanding Carotid Stent System with Distal Protection in the Treatment of Carotid Stenosis

Sponsor: Medtronic AVE

Institution: McLaren Regional Medical Center

EPICS II: Principal Investigator, 8/2004 – Present

Evaluation of Abdominal Aortic Aneurysms, Carotid Stenosis and PAD (In patients found to have at least one diseased coronary vessel $\geq 50\%$ on coronary angiography).

Collaborative: Medtronic, Inc.

Institution: McLaren Regional Medical Center

ARCHER RX & LTFU Trial: Sub-Investigator, 8/2004 – 12/2006

Evaluation of the RX ACCULINKTM Carotid Stent System and RX ACCUNETTM Embolic Protection System in the Treatment of Carotid Stenosis

Sponsor: Guidant Corporation

Institution: McLaren Regional Medical Center

EPICS I: Principal Investigator, 7/2004 – 7/2005

Evaluation of Possible Abdominal Aortic Aneurysms (In patients who have undergone previous CABG)

Collaborative: Medtronic, Inc.

Institution: McLaren Regional Medical Center

RESEARCH EXPERIENCE (continued)

MAVERIC II Trial: Sub-Investigator, 3/2003 – 7/2008

Phase II Clinical Trial

Evaluation of the Medtronic AVE Self-Expanding Carotid Stent System with Distal Protection in the Treatment of Carotid Stenosis

Sponsor: Medtronic AVE

Institution: McLaren Regional Medical Center

MAVERIC Trial: Sub-Investigator, 09/2002 – 7/2008

Phase I Clinical Trial

Evaluation of the Medtronic AVE Self-Expanding Carotid Stent System with Distal Protection in the Treatment of Carotid Stenosis

Sponsor: Medtronic AVE

Institution: McLaren Regional Medical Center

C1 Study – Physician Sponsored: Principal Investigator, 3/2002 – 1/2004

Phase I Clinical Trial

“A Single Center Clinical Evaluation of Carotid Stenting for the Treatment of Obstructive Carotid Artery Disease” Cordis S.M.A.R.T.TM and PRECISE Stents (5.5F and 6F) and the AngioguardTM and AngioguardTM XP Emboli Capture Guidewire

Sponsor: Cordis a Johnson & Johnson Company

Institutions: McLaren Regional Medical Center
Genesys Regional Medical Center

CARESS Study: Principal Investigator, 11/2001 – 12/2006

Phase II Clinical Trial

Carotid Revascularization with Endarterectomy or Stenting Systems

Sponsor: International Society of Endovascular Specialists

Institutions: McLaren Regional Medical Center
Genesys Regional Medical Center

Endologix Study: Principal, Investigator, 6/2001- Present

Phase II Clinical Trial

Clinical Study of the Suprarenal Bifurcated PowerLinkTM System (Abdominal Aortic/Aorto-Iliac Aneurysm Endoluminal Graft) (Suprarenal Study) – Protocol 00-006

Sponsor: Endologix, Inc.

Institutions: McLaren Regional Medical Center
Hurley Medical Center,
Genesys Regional Medical Center

RESEARCH EXPERIENCE (continued)

Ancure Study: Principal Investigator, 1998-2000

Phase III Clinical Trial:

A Phase III clinical study of the Ancure® system as compared to the Standard Surgical Procedure in the Treatment of Abdominal Aortic Aneurysms

Sponsor: Endovascular Technologies, Incorporated
Guidant Corporation, Cardiac & Vascular Surgery Group

Institutions: McLaren Regional Medical Center
Hurley Medical Center
Genesys Regional Medical Center

CONSULTING – Data Safety & Monitoring Boards

Axio Research Company, LLC, Seattle, WA – November 2007 to Present

DSMB (Data Safety Monitoring Board)

Study: STAPLE – 2 “The Pivotal Study of the Aptus Endovascular AAA Repair System.”

PRESENTATIONS

- 1) “SAAVE A LIFE – Find an Aneurysm,” Presented at the Center for Vascular Awareness, Albany, NY. July 30, 2009.
- 2) “Epics I Study: Evaluation of Possible Abdominal Aortic Aneurysm (in Patients who have undergone Previous CABG)”- SLIDE PRESENTATION- Transcutaneous Therapeutics Meeting, Washington, D.C., October 25, 2007.
- 3) “Epics I Study: Evaluation of Possible Abdominal Aortic Aneurysms in Patients who have undergone Previous CABG)”- Society for Vascular Surgery Annual Meeting, Baltimore, Maryland- June 11, 2006
- 4) “Developing Community Awareness of Endovascular Therapies” –Minneapolis, Minnesota – April 16, 2004
- 5) “FDA approved endografts and those soon to be approved” –Detroit, Michigan- September 4, 2003
- 6) “Developing a Successful Endovascular Program” Medtronic’s Vascular Fellows Program, Chapel Hill, North Carolina – June 16, 2003
- 7) “Starting an Endovascular Program” Barnes Jewish Hospital, St. Louis, Missouri – May 29, 2003
- 8) “Technological Change, Identity and the Vascular Surgeon: A Community Practice Perspective”, Medtronic AVE Technological Exchange, Santa Rosa, California – November, 2002

PROFESSIONAL ORGANIZATIONS

Fellow of the American College of Surgeons

Michigan Vascular Society

- President, Michigan Vascular Society (1996)
- Insurance Liaison Officer, Michigan Vascular Society (1993 – 1994)

Society for Vascular Surgery (SVS)

- Member, Health Policy Committee, Society for Vascular Surgery (2007-present)
- Member, Political Action Committee, Society for Vascular Surgery (2007- present)
- Member, Communications Committee, Society for Vascular Surgery (2005-2007)
- Delegate, American Medical Association House of Delegates (2002-Present)
- Alternate Delegate, American Medical Association House of Delegates (2000-2002)
- Member, Government Relations Committee, Society for Vascular Surgery (1998-Present)

American Medical Association (AMA)

- Delegate (Society for Vascular Surgery) to the American Medical Association House of Delegates (2002-Present)
- Alternate Delegate (Society for Vascular Surgery) to the American Medical Association House of Delegates (2000-2002)

Michigan State Medical Society

- Chairman, Ways and Means Committee, Michigan State Medical Society (1998)

PROFESSIONAL ORGANIZATIONS (continued)

International Society of Endovascular Surgery
International Society for Cardiovascular Surgery
Midwestern Vascular Society
Genesee County Medical Society
Flint Academy of Surgery
Roy D. McClure Society - Henry Ford Hospital
Society for Vascular Technology
Member Medical Editorial Board of Vascular Awareness

PROFESSIONAL ADVISORY BOARDS

Member, Physicians Advisory Board for OmniSonics (2006- 2008)
Member, Physicians Advisory Board for CardioMEMS (2006-2008)
Partnered with Medtronic, AVE to establish Carotid Stent Training Program (2003)
Member, Physician Advisory Board for Guidant, establishing Carotid Stent Training Program (2003)
Member, Physician Advisory Board for Medtronic AVE Endovascular Innovations (2003)

SOCIAL ORGANIZATIONS

- 1) Member of the San Marino Social Club
- 2) Member: San Marino Social Club Cultural Committee
- 3) Member of the San Marino Comunita di Detroit
- 4) Member of The Winter Club

AWARDS

Best Doctors in Michigan Recognition (1999): Detroit Free Press
Best Doctors in America Recognition (1996-2006)
Outstanding Educator-Michigan State University Integrated Residency Program in General Surgery-
(1991-1992)

PROJECTS OF SPECIAL INTEREST

Michigan Vascular Communications Committee: Helped create Vascular Voice: a bimonthly journal of the Michigan Vascular Center, to educate physicians and the public about vascular disease.

Articles written to date:

- Dall'Olmo, Carlo; *One For The Ages – Percutaneous, Endovascular AAA Repair Under Local Anesthesia*, Vascular Voice newsletter, V3I2, August 2008, pg. 4-5
- Dall'Olmo, Carlo; *SAAAVE Your Patient*, Vascular Voice newsletter, V3I2, August 2008, pg.1

PROJECTS OF SPECIAL INTEREST (continued)

- Dall’Olmo, Carlo; *Communication: Medicine’s Achilles Heel*, Vascular Voice newsletter, V3I1, April 2008, pg.1
- Dall’Olmo, Carlo; *September is National Vascular Awareness Month*, Vascular Voice newsletter, V2I3, August, 2007, pg.1
- Dall’Olmo, Carlo; *Secondhand Smoke—Unfortunately the Real Thing*, Vascular Voice newsletter, V2I3, August, 2007, pg.3
- Dall’Olmo, Carlo; *What Is Your Vascular Profile?*; Vascular Voice newsletter, V2I2, June, 2007, pg.1
- Dall’Olmo, Carlo; *EPICS I—Incidence of AAAs in CABG Patients*; Vascular Voice newsletter, V2I2, June, 2007, pgs.6-7
- Dall’Olmo, Carlo; *A Heartfelt Thanks*, Vascular Voice newsletter, V2I1, April, 2007, pg1
- Dall’Olmo, Carlo; *A Special Thanks to John Socey, D.O.*; Vascular Voice newsletter, V1I3, November, 2006, pg.1
- Dall’Olmo, Carlo; *Research – A Community’s Competitive Edge*; Vascular Voice newsletter, V1I3, November, 2006, pg.3
- Dall’Olmo, Carlo; *MVC Dedicates Issue to Dr. Schroeder*; Vascular Voice newsletter, V1I2, August, 2006, pg.1
- Dall’Olmo, Carlo; *MVC Launches “Vascular Voice”*; Vascular Voice newsletter, V1I1, May, 2006, pg.1
- Vascular Health Screening Events for Public Education of Vascular Disease regarding Abdominal Aortic Aneurysms, Carotid Stenosis and Stroke Prevention, and Peripheral Arterial Disease of the Extremities: Multiple screenings since 1997, including screening of members of the Republic of San Marino Social Club (2000 – 2003)
- PBS/Medtronic Documentary: AAA – A Silent Killer, 2006
- Helped create a national marketing campaign for the Society of Vascular Surgery, with the American Medical Association, to educate the public about vascular disease.
- Video - Interviews of San Marinense Immigrants: “A Personal and Historical Documentation of the San Marinense Immigrant” (2002 – Present). The project is financed through the Republic of San Marino Social Club of Detroit, MI. It is performed in conjunction with my son, Carlo Peter Dall’Olmo and his Titano Entertainment Company.

Currently I am writing a series of articles: Historical Vignettes on our Sammarinese History for the Connection, the publication of the San Marino Social Club. The purpose of the articles is to acquaint the young American-Sammarinese with the history of their heritage. There will be a series of articles on the history of Mt Titano and its origins to the settlements, government and history of San Marino.

Articles written to date

- 1) Mount Titano: Its Name. June, 2007
- 2) Mount Titano: Its Origins. August, 2007
- 3) First Humans on Mount Titano. October, 2007
- 4) Roman presence on Mount Titano. January, 2008
- 5) Goths, Lombard presence on Mount Titano. April, 2008
- 6) Saint Marino. July, 2008
- 7) San Marino and the Middle Ages – Part I. July, 2009

DIPLOMATIC APPOINTMENTS

Consul at Large, Republic of San Marino, Italy (2008 to present)
